

FRENCH AMERICAN BUSINESS COUNCIL OF ORLANDO

FOSTERING DEVELOPMENT BETWEEN FRANCE AND CENTRAL FLORIDA

★ M E M B E R S H I P ★

From a gathering of about 50 individuals in Orlando in 2004, who were seeking a more sophisticated alternative to the nightlife options available to them, FABCO is growing into a **lifestyle brand, upscale social network in Orlando**. FABCO offers contemporary men and women “entrée” to a network of successful individuals and a world of couture nightlife and entertainment. Headed by **Honorary Consul, France, Brigitte Dagot**, FABCO serves as a conduit to **ART, FASHION, FOOD** and **FINE WINES**, and as your guide for access to interesting and sometimes exclusive venues, through our monthly events.

"FABCO is a great networking platform in Orlando - an international crowd and a way to meet talented and interesting people in an always-fun atmosphere. Definitely the most effective and entertaining networking business tool in Orlando."

Rudy Ganna, President, Pyhex Ventures, Inc.

"FABCO is the Parisian atmosphere and meeting talented people from all over. It's drinking in life and becoming infected with the French joie de vivre."

Jordana Meade, Marketing Coordinator, Florida Film Festival
